

## Hodnet PPG, Summary of interim meeting, Thurs 19<sup>th</sup> May 2016, The Bear

It had been agreed in advance to major on promotion of the PPG on this occasion, specifically with regard to the Right Royal Party event on Sat 11<sup>th</sup> June and leave further discussions re Co-Co and other items until all members could be present on Thurs 2<sup>nd</sup> June.

MP had printed off a copy of this year's N.A.P.P. PPG Awareness Week Resource Pack  
All agreed that the material was clear and easily adaptable to fit our situation.  
Pages 6 & 14 were chosen as the most useful.

### Suggestions re general promotion

- CP: display space was being made available in the surgery where material could be posted. (CC and CP to keep PPG profile up to date on Practice website and display area, please.)
- Same posters could be displayed around the villages on Parish Council and local noticeboards. (Bear in mind that Medical Practice boundaries extend beyond Hodnet CP boundaries.)
- Also on practice website, and Hodnet village website.

### Specific promotion on Sat 11<sup>th</sup> June

We have been allocated a space at the park by the organising group.

- SV has an artist's easel. We will display posters on this and decorate it with balloons and bunting.
- We will produce a promotional flyer to include Practice website and PPG Secretary's email.
- We will have sign-up sheets for people to indicate their interest in joining the PPG.
- We will have a clipboard available where people can register their comments/suggestions for PPG to consider.

Contact Maureen Howell re getting it to the field on the Friday evening and storing there overnight.
